

# SYED YASEEN

Data Analyst

Availability: Immediate Joiner

Email: [syedengineer324@gmail.com](mailto:syedengineer324@gmail.com)

Contact: +91 8497919277

Place: Bangalore, India

Portfolio: <https://syedyaseen324.carrd.co/>

---

## Professional Summary

During my 6-month internship, I worked on real-world projects using **Excel (Pivot Tables, Power Pivot, Power Query)**, **Power BI**, **MySQL** and **Tableau** to clean data, build dashboards, and uncover meaningful insights. I enjoyed solving problems with data and collaborating with teams to support better decision-making. I'm eager to keep learning and growing in the field of data analysis.

---

## Work Experience

### Data Analyst Intern | AI Variant | Jan 2025 – Present, Bangalore

- Conducted data understanding by exploring raw datasets to identify structure, missing values, and data types.
- Performed data cleaning using **Excel** & **SQL** to remove duplicates, handle nulls, and standardize inconsistent formats.
- Implemented data modeling techniques using **Power BI** to create relationships, calculated columns, and DAX measures for optimized analysis.
- Created interactive dashboards and advanced data visualizations in **Power BI** and **Tableau** to enable detailed analysis and real-time monitoring.
- Derived actionable insights by analyzing patterns and correlations to support data-driven decisions.
- Used **MySQL** to extract and join data from different sheets and sources.

### Assistant Professor | SVP CET | Oct 2023 – Sep 2024, Puttur

- Taught Engineering Graphics with focus on 2D/3D visualization and drawing.
  - Used PowerPoint and projectors to enhance engagement and learning.
  - Managed student records and grades using Excel.
  - Handled academic records with data organization techniques.
- 

## Education

M.Tech | JNTUA College of Engineering, Anantapur | 2021 – 2023

- Specialization: *AMFS* | *CGPA: 8.40*

*B.Tech | Narayanadri Institute of Science & Technology | 2013 – 2017*

- Branch: Mechanical Engineering | Percentage: 72.45%
-

## Technical Skills

**Excel:** Basic formulas, Sorting, Filtering, Charts

**Advanced Excel:** Pivot tables, Power Pivot, VLOOKUP, Index, Match, Index + Match, Power Query

**Business Intelligence/BI Tools:** Power BI, Tableau

**Database:** My SQL, SQL

**Others:** Power BI Desktop, DAX (Data Analysis Expressions), Data Modeling, Interactive Dashboard, Power BI Services, Tableau Desktop, Data visualization, Dashboarding, Storytelling, SQL, Data Analytics, ETL Process, Power Query, Data Transformation, Data Cleaning, Report Building.

---

## Soft Skills

- Communication & Presentation
  - Problem Solving
  - Analytical Thinking
  - Teamwork
  - Quick Learner
- 

## Certifications

### Data Analyst Internship Certification – AI Variant

Completed a Data Analyst Internship Certification from AI Variant, focusing on hands-on projects in data cleaning, analysis, and visualization. Gained practical experience using tools like Excel, SQL, Power BI, and Tableau to derive insights from real-world datasets and build interactive dashboards.

### Data Analyst Course Certification – ExcelR Solutions

Completed 4-course program covering data cleaning, analysis, visualization, and project-based case studies using **Power BI, SQL, Excel, and Tableau**. Gained hands-on Knowledge in making data-driven decisions and presenting findings to stakeholders.
