

# YASEEN SYED

## Data Analyst

During my 6-month internship, I worked on real-world projects using **Excel (Pivot Tables, Power Pivot, Power Query)**, **Power BI**, **MySQL** and **Tableau** to clean data, build dashboards, and uncover meaningful insights. I enjoyed solving problems with data and collaborating with teams to support better decision-making. I'm eager to keep learning and growing in the field of data analysis.

## WORK EXPERIENCE

### Data Analyst Intern

#### AI Variant

01/2025 - Present

Bangalore

##### Achievements/Tasks

- Conducted data understanding by exploring raw datasets to identify structure, missing values, and data types.
- Performed data cleaning using **Excel** and **SQL** to remove duplicates, handle nulls, and standardize inconsistent formats.
- Implemented data modeling techniques using **Power BI** and **SQL** to create relationships, calculated columns, and DAX measures for optimized analysis.
- Created interactive dashboards and advanced data visualizations in **Power BI** and **Tableau** to enable detailed analysis and real-time monitoring.
- Derived actionable insights by analyzing patterns and correlations to support data-driven decisions.
- Used **MySQL** to extract and join data from different sheets and sources.

### Assistant Professor

#### SVP CET

10/2023 - 09/2024

Puttur

##### Achievements/Tasks

- Delivered lectures and practical sessions in Engineering Graphics, focusing on 2D/3D visualization and technical drawing.
- Presented course materials using PowerPoint and classroom projectors to enhance student engagement and comprehension.
- Used **Excel** to manage student records, calculate grades, and prepare academic reports efficiently.
- Applied basic data handling and organization skills through academic record management.

## EDUCATION

### M. Tech - AMFS - 8.40 CGPA

JNTUA College of Engineering, Anantapur

03/2021 - 07/2023

Anantapur

### B. Tech - 72.45%

Narayanadri Institute of Science & Technology

07/2013 - 09/2017

Rajampet

##### Courses

- Mechanical Engineering

## SKILLS

Excel: Basic formulas, Sorting, Filtering, Charts

Advanced Excel: Pivot tables, Power Pivot, VLOOKUP, Index, Match, Index+Match, Power Query

Business Intelligence/BI Tools: Power BI, Tableau

Database: My SQL, SQL

Others: Power BI Desktop, Power BI Services, Tableau Desktop, ETL Process, Power Query, DAX (Data Analysis Expressions), SQL, Data Analytics, Data visualization, Data Transformation, Data Modeling, Report Building, Interactive Dashboard

SOFT SKILLS : Good Communication & Presentation Skills, Problem Solving, Analytical Skills, Team Work, Quick Learner

## CERTIFICATES

### Data Analyst Intern Certification from AI Variant

Completed a Data Analyst Internship Certification from **AI Variant**, focusing on hands-on projects in data cleaning, analysis, and visualization. Gained practical experience using tools like **Excel**, **SQL**, **Power BI**, and **Tableau** to derive insights from real-world datasets and build interactive dashboards.

### Data Analyst Course Certification from ExcelR Solutions

Completed 4-course program covering data cleaning, analysis, visualization, and project-based case studies using **Power BI**, **SQL**, **Excel**, and **Tableau**. Gained hands-on Knowledge in making data-driven decisions and presenting findings to stakeholders.
